

## uFollowit Instructions

Scan Paperwork from Your Phone!

Dart owner operators: If you have a smart phone, you can now scan paperwork from your phone and send it to Dart using the uFollowit app.\*

uFollowit is a mobile application available for Android and Apple phones. Please visit the Apple app store or the Android marketplace to download the app. With the app you are able to scan and forward all of your trip documents to Dart within minutes.

Watch the following videos on how to download and use the app:

- 1) [Install/register the application](#) (client ID is 280)
- 2) [How to use the application](#) (make sure to check Manifest #s and choose doc type for each page)

[You can also view the instructions with the attached PDF.](#)

Paperwork must be scanned by 1 PM Central Time for same day settlement on normal business days (pending there are no issues with the paperwork).

If you are using the uFollowit app, please send your paperwork in via the monthly envelope after scanning it. If you are not set up with the monthly envelopes, please call ext. 5796.

**If you have any questions about uFollowit, please call 1-800-256-6414.**

\*There is a \$5/month charge to owner operators who choose to use uFollowit to send their paperwork to Dart.
